

CHINESE ADVANCED CONVERSATION CLASS

INSTRUCTOR: Jing Zhou

DATE: 20th, Sept

Topic: Shopping

Objectives:

- Students will understand the basic vocabulary with regard to shopping in China
- Students will learn how to bargain in China
- Students will make an advertisement show in Chinese

Materials:

handout

Procedures:

- Remind the students of what we have learned so far
- Introduce vocabulary words of shopping and ask students to discuss benefits and drawbacks of shopping in different places
- Divide students into two groups: with both salesperson and customers in one group. Give students a list of items that they need to sell and purchase and the amount of profit salesperson has to earn and the amount of money customers can only afford
- Ask students to learn to bargain with salesperson and find who finishes the task by gaining the profit and purchasing things they can afford
- Students will be divided into two groups and create an advertisement for an item appointed by the other group and give a show.
- Students will be divided into two groups to think about class project and report their idea this Thursday.
